CLUB DECLARATION

The Club hereby undertakes to keep a register of members, cashbook, Minute Book and audited accounts of the Club in accordance with FA regulations.

By completing and signing this form, on behalf of the Club, the Club applies for membership of the Company and agrees with its members to be bound by the Memorandum and Articles of the Company and any rules and regulations made pursuant thereto including the rules and regulations of The Football Association.

Rule 4 (a) of The Football Association states that, "Clubs, players and officials subject to the jurisdiction of The Football Association or an affiliated Association shall not be associated with or play with or against any Club which is not a Member of The Association or an affiliated Association."

The Club agrees to ensure that all competitions the Club or its members compete in are sanctioned by the appropriate Association.

This completed affiliation form and the appropriate remittance must be returned to the Association by **1-Jun-2011**. Failure to comply will result in a fine of **£25.00** (existing clubs only)

We take your privacy very seriously and we process all information in accordance with applicable UK data protection legislation. We are committed to protecting your privacy and we implement various security measures in relation to our processing and transfer of personal data.

Signature of Club Secretary

Date

Important Notes:

Please only send a deposit of £25.00 with your completed form; you will be invoiced on 1st September for the balance.

The closing date for all County cup competitions is 30th June. Clubs affiliating after this date will not be admitted to a county cup and existing clubs will be fined a further **£25.00** in addition to the late fine of £25.00 for returning form after 1st June.

If changing club name or if this is a new club then contact should be made with the office to ensure that name is available and acceptable.

No change of club name is permitted after affiliation.

The number of teams entered will be the basis for assessing the affiliation fee. Any changes after affiliation must be notified to County Office in writing (email accepted).

Ground details - it is a requirement of affiliation that the local authority, e.g. Borough Council, London Borough, must be given even if the full ground address is not known.

Failure to comply will hold up the affiliation and may lead to the late fines.

The club should be parented to the county in which it plays or where it has its headquarters. In most cases these will be Surrey in both instances. However, London FA overlaps, as does Sussex FA to a limited degree. Existing clubs can only change their parent county if approval is given by their parent county. New clubs will have Surrey as their parent county unless there is a need to refer the form to a neighbouring county due to the information provided.

Clubs must not wear black or dark kit that may clash with the referee.

BOYS COUNTY CUPS FORM

GUIDANCE NOTES:

Important

Leagues have requested that the Association advise them which of their teams are still in the cup competition as it progresses. As many clubs enter two teams at one age group, it is essential that the league is identified.

Entry fee for all cups is £10.00 per team. Entry is optional.

The closing date for all County cup competitions is 30th June. Clubs affiliating after this date will not be admitted to a county cup and existing clubs will be fined a further £25.00 in addition to the late fine of £25.00 for returning the form after 1st June.

Apart from the U18 Floodlit Midweek competition the Youth cups are played on **Sundays only**. Clubs who play in a non-Sunday league may enter the county cup if they wish but matches will be played on a Sunday. Teams entering the U18 Floodlit Midweek competition must have access to a ground with floodlights.

Clubs can only enter a maximum of 2 teams per age level.

Under 18 competition only. Competing teams will not be required to provide ID cards. However, a team sheet will need to be completed with league registration number and signed by the players.

Having applied to enter, withdrawal from any county cup will only be accepted in writing stating full name of club and Affiliation number, if issued.

Clubs parented to Surrey and seeking to play in other County's cup competition must seek permission from Surrey County FA - see SCFA Challenge Trophies Rule 5(a) iv and vi.

U17 teams may enter the U18 County Cup competition.

County Cup ties may be scheduled for or re-arranged for dates that are not league fixture dates, e.g. around Christmas and Easter - if the club cannot play on a specific date this must be notified to County Office as soon as possible.

Teams affiliated as U11, 9 aside teams may enter the U11 cup but all games are 11 aside. All teams entering the U11 cup must appreciate that goal and/or pitch sizes may vary.
